acoustic & partition systems

### Daphne Slalom / Panneau de séparation acoustique décoratif

Le panneau de séparation acoustique **Daphne Slalom** est un panneau phono-absorbant décoratif conçu pour le monde du bureau et l'univers de la maison. Les différentes formes des panneaux de séparation Daphne représentent une feuille transpercée d'une brindille et apporte un côté nature à votre pièce tout en réduisant les nuisances sonores.

Réalisé par la marque italienne **Slalom**, réputée pour ses solutions de mobiliers acoustiques, le panneau de séparation Daphné permet de créer des zones de convivialité et de partager l'espace environnant. Composé de 2 couches de tissu en polyester insonorisant bicolore, le panneau acoustique Daphné contribue à réduire les bruits ambiants.

Grâce aux panneaux de séparation acoustiques Daphné Slalom, vous pourrez créer en un tour de main de petits espaces de confidentialité à l'abri du regard et permettant de diminuer le bruit ambiant. Léger et facile à déplacer, Daphne peut facilement s'intégrer dans une salle d'attente, un bureau, un salon, un espace détente, ou une cafétéria. Grâce à ses nombreuses formes de feuilles, vous pourrez personnaliser votre espace selon vos envies.
